

elbo

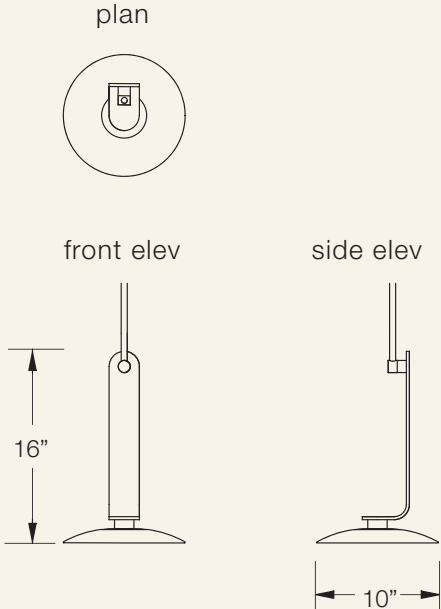

The **elbo** series is built on an original, modular bent aluminum frame structure. Porcelain or glass light diffusers provide soft, indirect light from the LED light sources.

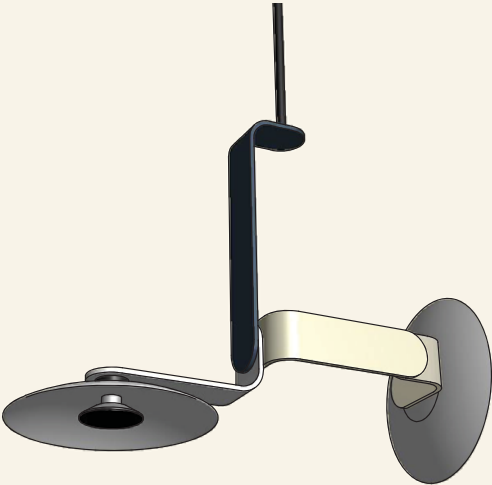

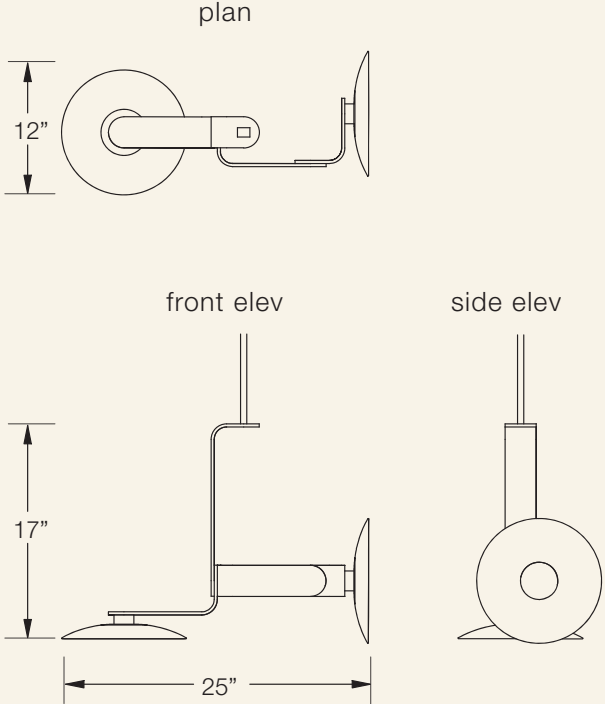

elbo-6.1 chandelier

- dimensions..... Sizes of various configurations are shown on the following pages.
- material..... Structure of aluminum with porcelain or glass dish diffusers.
- finish..... Satin anodized aluminum in standard colors of black, bronze, brass or silver. Custom anodized colors are also available. Plated finishes in brass and sterling silver.
- lamping..... 4w Cree CoB chip at 2700K or 3000K color temperature.
- power..... 120-277V electronic dimmable driver. dimming by 0-10v and/or forward phase, depending on the number of light sources. Driver is housed in a canopy enclosure mounted at the ceiling, or remotely.
- custom..... All configurations can be customized in size and form. Changes to the scale of the parts are also possible with longer lead times.

elbo fixtures are available with porcelain or glass diffusers.

Porcelain diffusers are white with a matte finish.

Glass diffusers are available in white and custom colors with a gloss finish, but not available on all configurations.
